This course provides participants with an overview of the International Recruitment Integrity System (IRIS).

This includes information on what ethical recruitment looks like in practice and what labour recruiters need to demonstrate in their management systems to be IRIS certified. While this course has been designed primarily for labour recruiters, it is relevant for anyone seeking more information on IRIS.

**Learning modality:** Self-learning. 100% Online

**Date:** Available all year

**Duration:** Approximately 1 hour

**Language:** English

**Cost:** Free

## WHAT IS IRIS?

**IRIS** is a global initiative that is designed to promote ethical international recruitment. It works by defining and setting a benchmark for ethical recruitment (the IRIS Standard), and through establishing a voluntary certification scheme for ethical labour recruiters, and a compliance and monitoring mechanism. IRIS is a due diligence tool for businesses, governments and workers.
